Organization for the Rebirth of Ukraine

The president of the Organization for the Rebirth of Ukraine is Dr. Aleksander GRANOWSKIJ, Professor of Minnesota University. He was ~~was~~ a Ukrainian officer. At the head of the Ukrainian Golden Cross (also in New York) is Stefania GALICZYN and the youth organization is headed by Chesten MONASTYRSKI and Roman LAPICA (New York).

The organization has as its aim the achievement of the independence of Ukraine. In realizing these plans, it is in the closest contact with the Organization of Ukrainian Nationalists in Europe. It represents the pro-Hitler ideology and, hoping for independence by Reich's will, it conducts Nazi activities in the United States in all branches.

The central authorities of the Organization for the Rebirth of the Ukraine are further in direct contact with the most important leaders of the organization of Ukrainian Nationalists in Berlin. The means of establishing contact (probably through the German Embassy) constitutes a subject of our interest. The German intelligence service sends, from time to time, its emissaries to this organization. For instance, among ~~others~~ Engineer Mikolaj SCIBORSKI (during the present war) and Omeljan HRYBIWSKIJ (before the war) were sent to it; they conducted Hitler activities within the U.S.A. and lately mysteriously disappeared in the Ukraine, joining the staff of German intelligence service.

There is a close personal contact between the Ukrainian National Association and the Organization for the Rebirth of Ukraine; since almost all of the executive officers of the Ukrainian National Association are members of the Organization for the Rebirth of Ukraine. Dr. ~~MYSZUGA~~ was invited in 1939 by the German Ministry of Propaganda to go to Europe, visited Berlin and Vienna, where his broadcast was introduced by Dr. GOEBBELS. He remains in touch with the Ukrainian "Espionage and Sabotage School" in Berlin, on behalf of which Omelian SENYK-HRYBIWSKIJ (mentioned previously) visited the U.S.A. The mail of the latter during his stay in this country was addressed to the Ukrainian National Association or to Dr. ~~MYSZUGA~~.
